Coach Jack Lengyel to speak at OCS Benefit Dinner

Jack Lengyel was the head coach of the Marshall University Thundering Herd football team from 1971 until 1974, having taken over following the Southern Airways Flight 932 plane crash that killed 75 people, including the varsity football team, administrators, staff, and boosters.

Actor Matthew McConaughey plays Lengyel in the film *We Are Marshall*, which was released in theaters on December 22nd, 2006 and on dvd on September 18, 2007.

However, Mr. Lengyel's greatest task and achievement as a coach was rebuilding the football program and community at Marshall University after the tragic airline crash.

Looking back on his experience at Marshall, Lengyel says, "I thought I was coming to rebuild a football program. It turned out the town had lost key community leaders on that plane as well". Commenting on the blockbuster Hollywood film on the Marshall team and Jack Lengyel's place in history, Lengyel reflected, "It's a movie about core values, faith, hope, perseverance and love."

Plum Creek Foundation awards grant for OCS Art department renovation

(Pictured is Plum Creek's Steve Handley presenting a check to OCS Development Director Bruce Deaton)

Earlier this year, we kicked off an effort to raise funds to provide a much-needed renovation of the facilities and equipment for the OCS Art Department. In an attempt to raise these funds we sought the support of private donors and submitted several grant requests. One of these requests was to the Plumcreek Foundation.

Through gifts from a number of private donors and with Plum Creek's generous support in awarding a grant to OCS for \$4,100, we have raised enough money to purchase all of the art tables necessary for this project. We still have a need to raise some additional funds in order to finish out the funding for the entirety of the renovation project. If you would like to direct a gift towards this project, please contact the development office at 325-6000 ext. 225 or via email at: bdeaton@ocs.org.

See You at the Pole next Wednesday at 7 AM.

The future of football at OCS

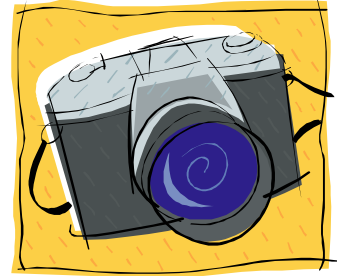

...looks bright.

Recently, 100 kids, ranging in age from five to 12, from our YMCA OCS football teams came out for a morning clinic on the basics of football conducted by the varsity coaches.

We have over 30 players on two *Flag One* teams, 40 on three *Flag Two* teams, 28 on the *Tackle One* team, and 22 on the *Tackle Two* team. The season has already begun as these little Eagles start training for the day when they will wear the gold helmets.
